Introductions & Information Sharing (see list of attendees on last page):

Updates and New Items

Dartmouth-Hitchcock FY17-19 Community Health Improvement Plan (Greg Norman)

- Greg presents overview of Dartmouth-Hitchcock's latest Community Health Improvement Plan and asks partners to provide input on:
 - Are we responding to the needs of our communities?
 - Are we aligning our work well?
 - What other thoughts do people have to share?
- Some comments and feedback included:
 - What opportunities might there be for public tobacco cessation clinics?
 - Are we looking at specialized access to care, such as needs of developmental disabled for oral health care? Could we look into separate, targeted community health needs assessments?
 - Dartmouth-Hitchcock brings wellness care to schools.
 - We have recurring themes of housing needs and workforce needs that continue to need to be addressed.

Community Health Hub (Laleh Talebian)

- Laleh presented plans for the Community Health Hub. The area of focus is the 69 NH and VT towns in the ReThink Health: UCRV region.
- "Communities can drive change in systems."

Coordinators Report

- Christine provided members with a printed budget report for the PHC, provided by Alice.

Working Group Development:

- Healthy Eating and Active Living (Laleh Talebian & Nancy Dumont)
- Oral Health (Nancy Dumont)
- Aging in Community (Christine Dyke)
- All Together (Angie Leduc & Jacqui Baker)
 - Recently completed community survey data collection with 600 surveys.
 - Working in five school districts and supporting development/growth of local coalitions.
- RCC for Emergency Preparedness (Wes Miller)
 - Coordinating school-based flu clinics in October. All schools participating.
 - Continuing to recruit members for the Upper Valley Medical Reserve Corps.
 - Needs volunteers for various drills.
