Director's Update:

Alice provided brief update on Vermont Outreach activities.

PHC Work Sessions:

Promoting Community Engaged Research

Aurora Drew, Synergy at Dartmouth Community Engaged Research & Alice Ely provided an overview of Community Engaged Research and announced a CER Café to be held in mid-September. Key messages include:

- Looking for ways to facilitate connections between researchers and the community.
- Create a picture of what related research is happening at DH and Dartmouth College.
- Understand and address trust issues between researchers and community partners related to “swoop in/swoop out” and other imbalances.
- Considering how language is used.

Roll-Out of Community Health Hub

Aurora Drew described the developing Community Health Hub and invited people to review it and provide feedback.

Regional Trends from Youth Risk Behavior Survey

Sarah Moore, TDI Student Intern described her project for ALL Together. She reviewed YRBS data from our region's school to develop a trend analysis. The presentation will be available via the PHC.

County Health Rankings Data Profile

Alice shared a very brief overview of some key CHR data for our four counties. More detail will follow as we begin community health improvement planning.

Working Group Development:

- Healthy Eating and Active Living (Alice Ely)
 - Summer meals program planning underway for Lebanon and Hartford.
- Oral Health (Alice Ely)
 - Medical School intern looking to conduct an oral health related project over next couple of months.
- Aging in Community (Alice Ely)
 - Mental Health First Aid for Older Adults on June 6 and 7.
- All Together
- RCC for Emergency Preparedness
