Your Weekly Advocacy Update

Sharing your thoughts and opinions with our state government ensures that public voices are being heard. Join us in advocating for what you believe in and help us improve the health and safety of New Hampshire individuals, families, and overall community.

Interested in a prize? Participate in any advocacy activity to be entered to win prizes! Fill out the advocacy participation form with proof of your advocacy work by following [this link \[gmail.us6.list-manage.com\]](#), or by clicking on the button below.

[Submit your participation here \[gmail.us6.list-manage.com\]](#)

Thank you to all that have signed up to receive our weekly newsletter!

Our hope is to provide our community with quick and easy access to information and links to upcoming bills that will be heard within the Senate and House of Representatives. Bills that you can expect updates on are listed below and are subject to change throughout the session.
