

# **GUVIST Goals for 2025**

---

# Goals

---

- Improving the art and science of integration
- Harnessing engagement
- Promoting GUVIST
- Funding
- LRHC Experience

# North Star & Purpose

---

## **NORTH STAR**

Cultivating integrated service delivery networks to ensure everyone receiving services in our communities is safe, supported and healthy in mind, body, and environment.

## **PURPOSE**

To move beyond collaboration to integration of leadership, decision-making, and responsibility in health and human services so we provide supports and services that are responsive and appropriate to the desires of those in need, where and when they are needed.

# Improve Process

---

Strong relationship between Service Delivery Networks & Executive Council

Use of Integration Guide

Refine collaboration evaluation tool

Identify data that most informs/quantifies UV needs

Provide space for Service Delivery Networks to learn from each other

- 
1. Community voices “Not About Us Without US”
  2. Community health workers
  3. Organizations to join or return to the table;  
Request for new Proposals

Voices, experiences, and perspectives are essential to the GUVIST purpose.

- Improve the cohesion of services
- Consistent systems for facilitation of services
- GUVIST collaboration offers; public health initiatives, funding opportunities, technical support, knowledge, data, assessment sharing, etc.

# Harnessing Engagement

---

# Promoting GUVIST

---

Help us share the mission of GUVIST to draw-in interest from other organizations and support for integration.

GUVIST is at the core of equitable access to the social services. GUVIST aims to improve the communication and coordination between local services for efficient utilization of them. Navigating services with dignity is a primary objective for improving communication between services.

# LRHC's Experience

---

- Northernmost rural region of GUVIST
- Historically keeping resources relevant and staying informed
- Larger initiatives guided by GUVIST
- Lead project
- Subgrantee of PHC for VDH grant on HTN and SDOHs

# Why GUVIST?

---

- What keeps you engaged with GUVIST?
- To those actively working with us- on an organizational level, how would you describe GUVIST's support in your integration ideas?
- What do you think GUVIST offers that's not offered in other collaborative groups?
- How do we expand on size and diversity of participants? Who do you know that would benefit from learning from/working with GUVIST?

# Thank you
